An End to a Busy January!

Hi,

January was a very busy month and we can't wait for the calmness of February.

Last week was a successful Catholic Schools week. We kicked it off with our amazing science fair. The kids put a lot of their time and talents into the projects, and it showed.

We ended the week with Parents-as-Teachers, a dance, and a basketball game. It was wonderful to see them in action.

Have a great week!

Ms. Schaalma

Math

- We are working on two digit divisors
- Chapter test Wednesday, Feb 12th.
- Next unit- Adding and subtracting decimals

Reading/ELA

- We are starting the novel Hatchet
- Continuing to use text evidence to back up our answers
- Non-fiction information paper

S.S.

- Test is moved to Wednesday due to field trip
- Moving on to the Middle Colonies.

Science

- Starting our space unit
